ENGLISH

HOW TO EAT PIZZA NAPOLETANA STYLE

STEP 1

Just look at that pizza... mmmm

STEP 2

We've seen enough, lets eat!

STEP 3

Grab some golden scissors

STEP 4

Cut the pizza into four pieces

STEP 5

Fold pizza from outside corners

STEP 6

Let toppings flow into your mouth. Slurping is allowed :)

STEP 7

Or you can fold the tip back & nothing will flow out!

STEP 8

Yummy! Nothing left but to dig in!

Our team will bring you a pair of golden scissors so you can try the full experience. If you would prefer for us to cut your pizza before you get it, we are more than happy to do that too!

A LITTLE ABOUT US

SOUTHERN FLAIR MEETS
THE NORTHERN TASTE

Neapolitan Pizza is art, tradition and a bubbly, fluffy experience. Bubbly and fluffy is especially true for the crust, which surrounds the thinly made and thickly covered middle of our pizzas. Crispy is not what we do, hence the saying "Don't trust the crust - it's time for cloudy dough". Our "cloud" flour created by Vincenzo Capuano is what makes our pizzas so quintessentially Neapolitan; full of flavour enveloped by this special fluffy goodness.

All of our products come directly out of Naples and with it, guarantee a completely authentic taste.

Alongside our classic pizza recipes, Vincenzo Capuano makes sure to keep us updated and supplied with his innovative pizza creations.

With lots of love for the art of the hand-made, our Neapolitan "Pizzaioli" make sure that quality is consistent with 60-90 seconds being the standard for time spent in our hand-finished dome oven.

Fresh, high quality ingredients and a dough made with love. The professionally trained expertise of our Pizzaioli brings tastes to your plate that will excite you and make you wish you had more room to order another pizza directly after.
