HOW TO EAT PIZZA NAPOLETANA STYLE

STEP 1

Just look at that pizza... mmmm

STEP 2

We've seen enough, lets eat!

STEP 3

Grab some golden scissors

STEP 4

Cut the pizza into four pieces

STEP 5

Fold pizza from outside corners

STEP 6

Let toppings flow into your mouth. Slurping is allowed :)

STEP 7

Or you can fold the tip back & nothing will flow out!

STEP 8

Yummy! Nothing left but to dig in!

Our team will bring you a pair of golden scissors so you can try the full experience. If you would prefer for us to cut your pizza before you get it, we are more than happy to do that too!
